

Reading is fun!

Reading is important because...

- It helps us to learn new things.
- It develops our imagination.
- Reading develops our vocabulary.
- Reading helps us to learn new things and go on an adventure! Reading can take you all over the world!
- Reading helps us to follow instructions
- Reading helps us to concentrate, strengthens the brain, develops empathy, and supports our wellbeing.
- Reading is a great way to relax.
- Reading develops our memory.

How can I be a great reader?

- Read regularly - try to read for at least 5 minutes every day!
- Set aside a specific time during the day to read.
- Sit somewhere comfortable.
- Ask questions about the book.
- Choose a book that interests you.
- Write your own stories
- Vary your voice as you read.
- Discuss the book - the cover, the characters, what do you think will happen next?
- Cymerwch sylw o'r atalnodi.

Enjoy reading!

- Use a funny voice when reading aloud!
- Try reading a variety of different types of books.
- Sing the words as you read.
- Create a game to go with the book.
- Read with a friend, somewhere interesting!
- Try acting out a scene, or part of the story!
